

# DAVID MOLNAR

iOS ENGINEER & PRODUCT DESIGNER

## INTRODUCTION

Hello there, I'm **David Molnar**, an **iOS Engineer & Product Designer** from **Hungary**, currently living in **California**. I love to craft elegant, clean and minimalistic, yet delighting mobile applications and experiences.

## EDUCATION

**Bachelor of Science in Software Information Technology**  
Eötvös Loránd University, Faculty of Informatics  
2008 - 2011

## EXPERIENCE

### **Lead iOS Architect – Primer – 2015 - Present**

Planning and building a state-of-the-art 3rd party SDK from the ground up, then updating and maintaining it while running client integrations.

### **Senior iOS Engineer – Happier – 2014 - 2015**

Developing new features and user interface variants for the iOS app, then creating one of first existing and featured Apple Watch apps.

### **iOS Engineer & Designer – Spreadsong – 2011 - 2013**

Maintaining, rewriting, and creating a big family of book reader apps, while designing and bringing them to a wide variety of platforms.

### **Founder & iOS Freelancer – Appsuit – 2009 - 2015**

Helping out various Hungarian and US based startups with iOS app development and design as a contracting freelancer.

## SKILLS

iOS, watchOS, Objective-C, Swift, Unit & UI testing, Xcode
